

## [Hino Trucks](#)

When you make the decision to go Hino, it's about much more than just a truck. Hino's customer support comes in many forms: The peace of mind in the industry-leading warranty, free roadside assistance, preventive maintenance coverage, a comprehensive telematics solution to optimize your fleet efficiency just to name a few. Funding of up to \$35,000 is available through the Standard Truck Replacement Program or up to \$7,500 through the HVIP program.
