

Our Brands

Ry-Den Truck Center is proud to be Central California's premier dealership of Hino Trucks and Isuzu low-cab forward trucks and vans. As a licensed dealer of these elite brands, our informed sales staff has access to exclusive training and the most up-to-date product information direct from manufacturers. In turn, we're able to provide our customers with the best trucking solutions available to meet their individual business needs.

Save Big With A Hybrid!

As the top dealer of medium-duty hybrid trucks in the country, we're authorized to offer big savings to our customers through the California Hybrid and Zero-Emission Truck and Bus Voucher Incentive Project (HVIP).

Call us today to claim your HVIP voucher and get your business moving forward with a hybrid truck.

RY-DEN

Truck Center, Inc.

While funding remains available, customers can receive a \$23,000 voucher good toward the purchase of a new Hino Hybrid truck. Plus, additional funding of up to \$40,000 is available through the On-Road Class 5 & 6 Truck Program.

Built For Your Business.

Whether you're a small business operator looking for a single diesel truck or you manage an entire fleet of commercial vehicles, Isuzu offers cost-effective options that you can count on. Isuzu's N-Series low-cab forward gas and diesel trucks, and Reach Next Generation Vans, are engineered to maximize driver productivity and minimize total cost of ownership.

Funding of up to \$40,000 is available through the On-Road Class 5 & 6 Truck Program. You can view our current Isuzu inventory or contact us today at (559) 441-7667 to discuss which model best suits your needs.
